PROXY STATEMENT
FOR THE 2003 ANNUAL MEETING OF
STOCKHOLDERS TO BE HELD ON MAY 28, 2003

QUESTIONS AND ANSWERS ABOUT THIS PROXY MATERIAL AND VOTING

Why am I receiving these materials?

We sent you this proxy statement and the enclosed proxy card because the

Board of Directors (Board) of Terayon Communications Systems, Inc. (Company) is soliciting your proxy to vote at the 2003 Annual Meeting of Stockholders (Annual Meeting). You are invited to attend the Annual Meeting and we request that you vote on the proposals described in this proxy statement. However, you do not need to attend the Annual Meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card, or follow the instructions below to submit your proxy over the telephone or on the Internet.

The Company intends to mail this proxy statement and accompanying proxy card on or about April 29, 2003 to all stockholders of record entitled to vote at the Annual Meeting.

Who can vote at the Annual Meeting?

Only stockholders of record at the close of business on April 23, 2003 (Record Date) will be entitled to vote at the Annual Meeting.

Stockholder of Record: Shares Registered in Your Name

If on the Record Date your shares were registered directly in your name with the Company's transfer agent, EquiServe L.P., then you are a stockholder of record. As a stockholder of record, you may vote in person at the Annual Meeting or vote by proxy. Whether or not you plan to attend the Annual Meeting, we urge you to fill out and return the enclosed proxy card or vote by proxy over the telephone or on the Internet as instructed below to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker, Bank or Other Financial Institution

If on the Record Date your shares were held in an account at a brokerage firm, bank, dealer or other similar financial institution , then you are the beneficial owner of shares held in "street name" and these proxy materials are being forwarded to you by that organization. The brokerage firm, bank, dealer or other financial institution holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent on how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the Annual Meeting unless you request and obtain a valid proxy from your broker or other agent.

What am I voting on?

There are two matters scheduled for a vote:

*Election of two directors;

*Ratification of Ernst & Young LLP as independent auditors of the Company for its fiscal year ending December 31, 2003.

Table of Contents

How do I vote?

You may either vote "For" all the nominees to the Board or you may abstain from voting for any nominee you specify. With respect to the election of the independent auditors, you may vote "For" or "Against" or abstain from voting.

The procedures for voting are as follows:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the Annual Meeting or vote by proxy using the enclosed proxy card, vote by proxy over the telephone or vote by proxy on the Internet. Whether or not you plan to attend the Annual Meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the Annual Meeting and vote in person even if you have already voted by proxy.

*To vote in person, come to the Annual Meeting and we will give you a ballot when you arrive.

*To vote using the proxy card, simply complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.

*To vote over the telephone, dial the toll-free phone number listed on the enclosed proxy card using a touch-tone phone and follow the recorded instructions. You will be asked to provide the company number and control number from the enclosed proxy card. Your vote must be received by 11:59 p.m. Eastern Daylight Time on May 27, 2003 to be counted.

*To vote on the Internet, go to www.eproxyvote.com/tern to complete an electronic proxy card. You will be asked to provide the company number and control number from the enclosed proxy card. Your vote must be received by 11:59 p.m., Eastern Daylight Time on May 27, 2003 to be counted.

Stockholder of Record: Shares Registered in the Name of a Broker, Bank or Other Financial Institution

If you are a beneficial owner of shares registered in the name of your broker, bank, or other financial institution or agent, you should have received a proxy card and voting instructions with these proxy materials from that organization rather than from the Company. Simply complete and mail the proxy card to ensure that your vote is counted. Alternatively, you may vote by telephone or over the Internet as instructed by your broker, bank, other financial institution or agent. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank, other financial institution or agent. Follow the instructions from your broker, bank, financial institution or agent included with these proxy materials, or contact your broker, bank, financial institution or agent to request a proxy form.

We provide Internet proxy voting to allow you to vote your shares on-line, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your Internet access, such as usage charges from Internet access providers and telephone companies.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of the Record Date.

What if I return a proxy card but do not make specific choices?

If you return a signed and dated proxy card without marking any voting selections, your shares will be voted "For" the election of both nominees for director and the election of Ernst & Young LLP as independent auditors. If any other matter is properly presented at the Annual Meeting, your proxy (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

Table of Contents

Who is paying for the expense of mailing and printing the proxy material?

We pay the entire cost of printing and mailing the proxies. In addition to these mailed proxy materials, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, your shares are registered in more than one name or are registered in different accounts. Please complete, sign and return each proxy card to ensure that all of your shares are voted.

Can I change my vote after submitting my proxy?

Yes. You can revoke your proxy at any time before the final vote at the Annual Meeting. You may revoke your proxy in any one of three ways:

*You may submit another properly completed proxy card with a later date.

*You may send a written notice that you are revoking your proxy to the Company's Secretary at 4988 Great America Parkway, Santa Clara, CA 95054.

*You may attend the Annual Meeting and vote in person. Simply attending the Annual Meeting will not, by itself, revoke your proxy.

When are stockholder proposals due for next year's Annual Meeting?

To be considered for inclusion in next year's proxy materials, your proposal must be submitted in writing by December 29, 2003, to the Company's Secretary at 4988 Great America Parkway, Santa Clara, CA 95054. If you wish to submit a proposal for consideration at next year's annual meeting that will not be included in next year's proxy materials, you must do so by the close of business no earlier than February 27, 2004 and no later than the close of business on March 28, 2004. Subject to applicable laws and regulations, the Company's management has discretion over what stockholder proposals will be included in the agenda for next year's annual meeting and/or in the related proxy materials. Subject to applicable laws and regulations, the Company's management also will have discretionary authority to vote all shares for which it has proxies in opposition to the matter if the Company fails to receive notice of any stockholder proposals for next year's annual meeting by March 9, 2004. Stockholders are also advised to review the Company's Bylaws, which contain additional requirements with respect to advance notice of stockholder proposals and director nominations.

How are votes counted?

Votes will be counted by the inspector of elections appointed for the Annual Meeting, who will separately count "For" and "Against" votes, abstentions and broker non-votes. Abstentions will be counted in the vote total for each proposal, and will have the same effect as "Against" votes. Broker non-votes will be counted towards a quorum but have no effect and will not be counted in the vote total for any proposal.

How many votes are needed to approve each proposal?

*For the election of directors, the two nominees receiving the most "For" votes (among votes properly cast in person or by proxy) will be elected. Broker non-votes will have no effect.

*To be approved, Proposal No. 2, the ratification of Ernst & Young LLP as the Company's independent auditors for its fiscal year ending December 31, 2003, must receive a "For" vote (either in person or by proxy) from the majority of shares represented at the meeting and entitled to vote. If you "Abstain" from voting, it will have the same effect as an "Against" vote. Broker non-votes will have no effect.

Table of Contents

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid Annual Meeting. As of the close of business on the Record Date, the Company had 73,719,116 shares outstanding and entitled to vote at the Annual Meeting. A quorum will be present if at least a majority of shares of the Company's outstanding shares as of the Record Date are represented by votes at the Annual Meeting in person or by proxy. Your shares will be counted towards the quorum only if you submit a valid proxy vote or appear in person. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, a majority of the votes present at the Annual Meeting may adjourn the Annual Meeting to another date.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be published in the Company's quarterly report on Form 10-Q for the second quarter of 2003.

Board Committees and Meetings

During the fiscal year ended December 31, 2002 the Board held eight

meetings and acted by unanimous written consent five times. The Board has an Audit Committee, a Compensation Committee, a Non-Officer Option Committee, and a Nominating Committee.

The Audit Committee of the Board oversees the Company's financial reporting process. For this purpose, the Audit Committee reviews the Company's auditing, accounting, financial reporting and internal control functions and selects and engages the Company's independent auditors. In discharging its duties, the Audit Committee reviews and approves the scope of the annual audit, non-audit services to be performed by the independent auditors and the independent auditors' audit and non-audit fees; recommends to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for filing with the Securities and Exchange Commission; meets independently with the Company's independent auditors and senior management; and reviews the general scope of the Company's accounting, financial reporting, annual audit and matters relating to internal control systems, as well as the results of the annual audit and interim financial statements, auditor independence issues and the adequacy of the Audit Committee charter. The Audit Committee also monitors the Company's compliance with laws and regulations and standards of business conduct.

The Audit Committee operates under a written charter adopted by the Board. The Board adopted a new Audit Committee Charter on February 24, 2003, which is included herein as Exhibit A.

Three directors comprised the Audit Committee in 2002: Messrs. Schaepe, Solomon and Woodrow. The Audit Committee met six times during 2002 and acted by unanimous written consent one time. All members of the Company's Audit Committee in 2002 are independent (as independence is defined in Rule 4200(a)(14) of the NASD listing standards). Each of the members of the audit committee is financially literate.

The Compensation Committee makes recommendations concerning salaries and incentive compensation, awards stock options to employees and consultants under the Company's stock option plans and performs other functions regarding compensation as the Board may delegate. In 2002, three directors comprised the Compensation Committee: the Company's CEO, Zaki Rakib, and Messrs. Krstajic and Schaepe. The Compensation Committee did not meet during and did not act by unanimous written consent in 2002.

The Non-Officer Option Committee, established in January 1999, awards stock options, stock grants and stock awards to eligible persons who are not officers of the Company subject to Section 16 of the Securities and Exchange Act of 1934, as amended (Exchange Act). In July 2000, the Board set new guidelines for the Non-Officer Option Committee, which permitted the Non-Officer Option Committee to award stock options, stock grants and stock awards to all eligible persons, including officers, other than Dr. Rakib and Mr. Rakib. The number of shares the Non-Officer Option Committee may grant must follow the guidelines set by the Compensation Committee or the Board, and may not exceed the maximum for a given position without the approval of the Compensation Committee or the Board. The Non-Officer Option Committee is to meet or to act by written consent as such Committee deems appropriate. During the fiscal year ended December 31, 2002, the Non-Officer Option Committee acted after the hiring of each new employee or consultant to grant option to such employee or consultant. The sole member of the Non-Officer Option Committee is the Company's Chief Executive Officer and Secretary, Dr. Rakib.

The Nominating Committee, established in February 2003, recommends director nominees to stand for election at the Company's annual meeting of stockholders and monitors the board composition. The Company's Bylaws also

provide for stockholder nomination of directors. These provisions require such nominations to be made pursuant to timely written notice to the Secretary of the Company. Each stockholder's notice of nominations must contain all information relating to the director nominee as is required to be disclosed by the Company's Bylaws and by the rules and regulations of the Securities Exchange Act of 1934, as amended. The Nominating Committee is currently comprised of Dr. Rakib, Mr. Schaepe, Mr. Solomon and Mr. Woodrow.

Table of Contents

During the fiscal year ended December 31, 2002, all directors attended at least 75% of the aggregate of the meetings of the Board. Audit Committee members attended at least 75% of the aggregate of the Audit Committee meetings except Mr. Schaepe who attended 66% of the meetings.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The information contained in this report shall not be deemed to be "soliciting material" or to be "filed" with the Securities and Exchange Commission (SEC), nor shall such information be incorporated by reference into any future filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates it by reference in such filing.

The Audit Committee of the Board of Directors serves as the representative of the Board for general oversight of the Company's financial accounting and reporting process, system of internal control, audit process, and process for monitoring compliance with laws and regulations, and standards of business conduct. Additional duties and powers of the Audit Committee are set forth in its new charter, which was adopted and approved in February 2003 and a copy of which is attached to this proxy statement as Exhibit A. The Company's management has primary responsibility for preparing the Company's financial statements and the Company's financial reporting process. The Company's independent auditors, Ernst & Young LLP, are responsible for expressing an opinion as to whether the financial statements are prepared in accordance with accounting principles generally accepted in the United States.

The following is the report of the Audit Committee with respect to the Company's audited financial statements for the fiscal year ended December 31, 2002, which include the consolidated balance sheets of the Company as of December 31, 2002 and 2001, and the related consolidated statements of operations, stockholders' equity and cash flows for each of the three years in the period ended December 31, 2002, and the notes thereto.

Review with Management

The Audit Committee has reviewed and discussed the Company's audited financial statements with management.

Review and Discussions with Independent Accountants

The Audit Committee has discussed with Ernst & Young LLP, the Company's independent auditors, the matters required to be discussed by SAS 61 (Codification of Statements on Accounting Standards) that includes, among other items, matters related to the conduct of the audit of the Company's financial statements.

The Audit Committee has also received written disclosures and the letter from Ernst & Young LLP required by Independence Standards Board Standard No. 1 (that relates to the accountant's independence from the Company and its related entities) and has discussed with Ernst & Young LLP its independence from the Company.

Conclusion

Based on the review and discussions referred to above, the Audit Committee recommended to the Board that the Company's audited financial statements be included in the Company's Annual Report of Form 10-K for the fiscal year ended December 31, 2002.

PROPOSAL 2 RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

The Board has selected Ernst & Young LLP as the Company's independent auditors for the fiscal year ending December 31, 2003 and has further directed that management submit the selection of independent auditors for ratification by the stockholders at the Annual Meeting. Ernst & Young LLP has audited the Company's financial statements since its inception in 1993. Representatives of Ernst & Young LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither the Company's Bylaws nor other governing documents or law require stockholder ratification of the selection of Ernst & Young LLP as the Company's independent auditors. However, the Board is submitting the selection of Ernst & Young LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee and the Board will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee and the Board in their discretion may direct the appointment of different independent auditors at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting will be required to ratify the selection of Ernst & Young LLP. Abstentions will be counted toward the tabulation of votes cast on proposals presented to the stockholders and will have the same effect as negative votes. Broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether this matter has been approved.

Audit Fees. During the fiscal year ended December 31, 2002, the aggregate fees billed by Ernst & Young LLP for the audit of the Company's financial

statements for such fiscal year and for the review of the Company's interim financial statements were \$503,000.

Financial Information Systems Design and Implementation Fees. During the fiscal year ended December 31, 2002, there were no aggregate fees billed by Ernst & Young LLP for information technology consulting.

All Other Fees. During fiscal year ended December 31, 2002, the aggregate fees billed by Ernst & Young LLP for professional services other than audit and information technology consulting fees was \$260,950, including audit related services of \$82,889 and nonaudit services of \$178,061. Audit related services include fees for statutory audits, accounting assistance, SEC registration statements and audit of employee benefit plans. Nonaudit services include tax compliance and tax consultations.

The Audit Committee has determined the rendering of all audit, audit related and other non-audit services by Ernst & Young LLP is compatible with maintaining the auditor's independence.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE IN FAVOR OF PROPOSAL 2.

EXECUTIVE COMPENSATION

Compensation of Directors

In October 2002, the Company adopted a compensation plan for non-employee board members whereby each non-employee director receives an monthly retainer of \$2,000 and \$1,000 per Board or Committee meeting attended. Committee chairs receive an additional \$500 per Committee meeting attended. Prior to the adoption of the October 2002 compensation plan, Mr. Solomon and Mr. Woodrow each received \$2,000 per month for their services as a member of the Board, and no other directors of the Company received cash for services provided as a director. In

fiscal 2002, Mr. Woodrow received a total of \$11,000 and Mr. Krstajic received a total of \$5,000 for their Board service. Mr. Solomon earned \$25,500 for his Board service in 2002 of which \$2,000 was paid in January 2003. Mr. Schaepe earned \$6,000 for his Board service in 2002, of which \$2,000 will be paid in 2003. The members of the Board are eligible for reimbursement for their expenses incurred in connection with attendance at Board and Committee meetings in accordance with Company policy.

Each non-employee director of the Company also receives stock option grants under the 1998 Non-Employee Directors' Stock Option Plan (Directors' Plan). Only non-employee directors, which are currently Messrs. Krstajic, Schaepe, Solomon and Woodrow, are eligible to receive non-qualified stock options under the Directors' Plan. The Directors' Plan is administered by the Board, unless the Board delegates administration to a committee comprised of Board members.

The aggregate number of shares of common stock that may be issued pursuant to options granted under the Directors' Plan is 800,000 shares. Option grants under the Directors' Plan are non-discretionary. Pursuant to the Directors' Plan, non-employee directors automatically receive (i) an option to purchase 60,000 shares of common stock of the Company on the date of his or her initial election or appointment to be a non-employee director and (ii) an option to purchase 25,000 shares of common stock on the date of each Annual Meeting, which amount shall be prorated for the 12-month period prior to the Annual Meeting if the non-employee director has not continuously served as an non-employee director during such period. In addition, each non-employee director who is then serving as a member of a committee automatically receives an option to purchase 6,000 shares of common stock for each such committee on the date of each Annual Meeting, which amount shall be prorated for the 12 month period prior to the Annual Meeting if the non-employee director has not continuously served as an committee member during such 12-month period. No other options may be granted at any time under the Directors' Plan.

The exercise price of the options granted under the Directors' Plan will be equal to the fair market value of the common stock on the date of grant. Options granted under the Directors' Plan vest and become exercisable as to 33% of the shares on the first anniversary of the date of grant and 1/36th of the shares monthly thereafter. An optionee whose service relationship with the Company or any affiliate (whether as a non-employee director or subsequently as an employee, director or consultant of either the Company or an affiliate) ceases for any reason may exercise vested options for the term provided in the option agreement (three months generally, 12 months in the event of disability and 18 months in the event of death). Options granted under the Directors' Plan generally are non-transferable, however, an optionee may designate a beneficiary who may exercise the option following the optionee's death. In the event of certain changes in control of the Company, all outstanding awards under the Directors' Plan either will be assumed or substituted for by any surviving entity. If the surviving entity determines not to assume or substitute for such awards, the vesting and time during which such options may be exercised shall be accelerated prior to such event and the options will terminate if not exercised after such acceleration and at or prior to such event. The term of options granted under the Directors' Plan is 10 years. Unless terminated sooner by the Board, the Directors' Plan will terminate in June 2008.

During the last fiscal year, the Company granted 154,000 stock options from the Directors' Plan to non-employee directors of the Company. These options were granted at an average exercise price of \$2.53 to Messrs. Krstajic, Schaepe, Solomon and Woodrow. The exercise price was the respective fair market value of the common stock on the date of grant. As of March 31, 2003, 8,250 options had been exercised under the

Directors' Plan. Directors who are employees of the Company do not receive separate compensation for their services as directors.

Material Features of Plan Not Approved by Stockholders

The 1999 Plan is administered by the Company's Board of Directors. The 1999 Plan provides for non-qualified stock options and awards to be granted to non-officer employees and consultants of the Company. Generally, options and awards granted under the plan have grant prices equal to the fair market value of the stock on the grant date, but may not be granted at less than 85% of the fair market value of the stock at the date of the grant. The 1999 Plan allows the Board to specify the specific conditions of the grants, including but not limited to the vesting period, termination provisions and transferability provisions. Pursuant to the terms of the 1999 Plan, awards typically vest monthly over a period not to exceed 60-months from the date of grant. Awards may be exercised for up to eighteen months if a participant's employment is

terminated due to death, twelve months for disability, and three months for retirement. If a participant's employment is terminated other than due to death, disability, or retirement, the vested portion of the award may be exercised for up to three months after termination. Unexercised grants expire ten years after the date of grant.

Employment Severance, Employee Loans, and Change of Control Agreements

Dr. Rakib has an employment agreement with the Company, which establishes him as the Chief Executive Officer of the Company. Dr. Rakib's employment agreement does not provide for any specified compensation arrangement. In January 2003, the Company entered into an employment agreement with Arthur Taylor, which established Mr. Taylor as the Company's Chief Financial Officer beginning in February 2003 with a base salary of \$250,000, and granted Mr. Taylor a stock option for 325,000 shares of common stock. There are no employment agreements with any of the Company's other executive officers and there are no employment agreements that contain severance or change of control provisions for any of the Company's executive officers.

In October 2001, the Company made a secured loan to Ms. Lustenader for \$100,000. The loan accrued interest at the rate of 3.58% per annum and was due on the earlier of October 17, 2004 or ninety days following Ms. Lustenader's termination with the Company. In March 2003, Ms. Lustenader repaid the note in full.

In February 2003, Ms. Lustenader, the Company's Chief Financial Officer resigned. The Company entered into a separation agreement with Ms. Lustenader, which provided for a severance payment of \$300,000. This amount was paid to Ms. Lustenader in February 2003. Additionally, in connection with her separation agreement, Ms. Lustenader was granted stock options to purchase 50,000 shares of the Company's common stock at the fair market value on the date of the stock option grant.

REPORT OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION

The material in this report is not "soliciting material," is not deemed "filed" with the Securities and Exchange Commission, and is not to be incorporated by reference into any filing of the Company under the Securities Act or Exchange Act, whether made before or after the date hereof and irrespective of any general incorporation language contained in such.

In the fiscal year ended December 31, 2002, the Compensation Committee of the Board, which consisted of Dr. Zaki Rakib, the Company's Chief Executive Officer and Secretary, and Non-Employee Directors Messrs. Schaepe and Krstajic, did not meet. In 2002, the Board was responsible for establishing the Company's compensation programs for all employees, including executives, and administering the Company's stock purchase and stock option plans. In 2002, the Board consisted of Dr. Zaki Rakib, the Company's Chief Executive Officer and Secretary, Shlomo Rakib, the Company's President and Chief Technical Officer, and Non-Employee Directors Messrs., Krstajic, Schaepe, Solomon, and Woodrow, as well as Mr. Stevens until March of 2002. The entire Board participated in all compensation decisions, except that the Non-Officer Option Committee, of which Dr. Rakib is the sole member, acted after the hiring of each new employee or

consultant to grant option to such employee or consultant.

Compensation Philosophy

The goals of the compensation program, the Compensation Committee and the Board are to align compensation with business objectives and performance and to enable the Company to attract, retain and reward executive officers and other key employees who contribute to the long-term success of the Company and to motivate them to enhance long-term stockholder value. Key elements of this philosophy are:

*The Company pays competitively compared to leading technology companies with which the Company competes for talent. To ensure that pay is competitive, the Company regularly compares its pay practices with these companies and establishes its pay parameters based on this review.

*The Company maintains annual incentive opportunities sufficient to provide motivation to achieve specific operating goals and to generate rewards that bring total compensation to competitive levels.

*The Company provides significant equity-based incentives for executives and other key employees to ensure that they are motivated over the long term to respond to the Company's business challenges and opportunities as owners and not just as employees.

Philosophy Regarding Section 162(m) of the Code. Section 162(m) of the Code limits the Company to a deduction for federal income tax purposes of no more than \$1 million of compensation paid to certain Named Executive Officers in a taxable year. Compensation above \$1 million may be deducted if it is "performance-based compensation" within the meaning of the Code.

The Board has determined that stock options granted under the Company's 1997 Plan and 1999 Plan with an exercise price at least equal to the fair market value of the Company's common stock on the date of grant shall be treated as "performance-based compensation."

Base Salary. The Board or the Compensation Committee annually reviews each executive officer's base salary. When reviewing base salaries, the Board or the Compensation Committee considers individual and corporate performance, levels of responsibility, prior experience, breadth of knowledge and competitive pay practices.

Long-Term Incentives. The Company's long-term incentive program consists of the 1995 Plan, the 1997 Plan and the 1999 Plan. The option programs utilize vesting periods (generally five years) to encourage key employees to continue in the employ of the Company. Through option grants, executives receive significant equity incentives to build long-term stockholder value. Grants are made at 100% of the fair market value on the date of grant. Executives receive value from these grants only if the value of the Company's common stock appreciates over the long-term. The size of option grants is determined based on competitive practices at leading companies in the technology industry and the Company's philosophy of significantly linking executive

compensation with stockholder interests. In the fiscal year ended December 31, 2002, the Board granted stock options to particular executives that will vest over a four-year or a five-year period. These grants were intended to provide incentives to maximize stockholder value over the next several years. The Board and the Compensation Committee believes this approach creates an appropriate focus on longer-term objectives and promotes executive retention.

Chief Executive Officer Compensation

Dr. Rakib's base salary in 2002 was \$450,000. In setting this amount, the Board took into account (i) its belief that Dr. Rakib is the Chief Executive Officer of a leading technology company with significant and broad-based experience in the broadband equipment industry, (ii) the scope of Dr. Rakib's responsibility and (iii) the Board's confidence in Dr. Rakib to lead the Company's continued development.

Other Executive Officers' Compensation

In 2002, the Board did not (i) increase the base salaries of; (ii) provide bonuses to; or (iii) award stock options to executive officers as incentives.

Compensation Committee Interlocks and Insider Participation

In the fiscal year ended December 31, 2002, the Compensation Committee, which consisted of Dr. Zaki Rakib, the Company's Chief Executive Officer and Secretary, and Non-Employee Directors Messrs. Schaepe and Krstajic, did not meet. Instead, the Board participated in all compensation decisions. The Board members, Messrs. Krstajic, Schaepe, Solomon and Woodrow, are not and have not been officers or employees of the Company in 2002. Each of the Company's directors holds securities of the Company. In January 1999, the Compensation Committee created a Non-Officer Stock Option Committee of the Board, which consists of Dr. Zaki Rakib. The function of the Non-Officer Stock Option Committee is to grant options to purchase shares of common stock to eligible persons who are not officers of the Company subject to Section 16 of the Securities Exchange Act of 1934, as amended. No executive officer of the Company served on the board of directors or compensation committee of any entity, which has one or more executive officers serving as a member of the Company's board or compensation committee.

Delivery of This Proxy Statement

The SEC has adopted rules that permit the Company and its intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as "householding", could provide the Company with cost savings.

This year, a number of brokers with account holders who are the Company's stockholders will be householding our proxy materials. A single proxy statement

will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker or the Company that they will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any

time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement, please notify your broker or direct your written request to Terayon Communication Systems, Inc., Attn: Corporate Secretary, 4988 Great America Parkway, Santa Clara, CA 95054.

Stockholders who currently receive multiple copies of the proxy materials at their address and would like to request householding of their communications should contact their broker.

CHARTER OF THE AUDIT COMMITTEE Terayon Communication Systems, Inc.

AUTHORITY AND PURPOSE

The Audit Committee of Terayon Communication Systems, Inc. (the Corporation) is appointed by the Corporation's Board of Directors (the Board) to oversee the accounting and financial reporting processes of the Corporation and audits of the financial statements of the Corporation. The Audit Committee (the Committee) shall undertake those specific duties and responsibilities listed below and such other duties as the Board shall from time to time prescribe. All powers of the Committee are subject to the restrictions designated in the Corporation's Certification of Incorporation, Bylaws and applicable rules and regulations.

STATEMENT OF POLICY

The Committee shall oversee the accounting and financial reporting processes of the Corporation and audits of the financial statements of the Corporation. In so doing, the Committee shall endeavor to maintain free and open means of communication between the directors, the independent auditors and the financial management of the Corporation. In addition, the Committee shall review

the policies and procedures adopted by the Corporation to fulfill its responsibilities regarding the fair and accurate presentation of financial statements in accordance with generally accepted accounting principles and applicable rules and regulations of the Securities and Exchange Commission and the National Association of Securities Dealers (the NASD) applicable to Nasdaq listed issuers. The Committee shall discharge its responsibilities and shall access the information provided by the Corporation's management and the independent auditors, in accordance with its business judgment. In exercising its business judgment, the Committee shall be entitled to rely on the information and advice provided by the Corporation's management and/or its independent auditors.

COMMITTEE STRUCTURE AND MEMBERSHIP

The Committee shall be comprised of three or more directors, as determined by the Board. The Committee members shall be designated by the Board, in compliance with the Bylaws of the Corporation, and shall serve at the discretion of the Board.

Each member of the Committee shall be an independent director. For purposes hereof, an "independent director" shall be one:

*who accepts no consulting, advisory or other compensatory fee from the Corporation other than in his or her capacity as a member of the Committee, the Board or any other committee of the Board or is not otherwise an affiliated person of the Corporation; and

*who is free from any relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment in carrying out the responsibilities of a director.

Each member of the Committee shall be able to read and understand fundamental financial statements in accordance with the rules of the NASD applicable to Nasdaq listed issuers. At least one member shall have past employment experience in finance or accounting, a professional certification in accounting or other comparable experience or background that results in the individual's possessing the requisite financial sophistication, such as a current or past position as a chief executive or financial officer or other senior officer with financial oversight responsibilities.

POWERS

The Committee shall have the power to conduct or authorize investigations into any matters within the Committee's scope of responsibilities. The Committee shall be empowered to engage independent counsel and other advisers, as it determines necessary to carry out its duties. While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Corporation's financial statements are complete, accurate or in accordance with generally

accepted accounting principles or applicable law. Those tasks are the responsibility of management and the independent auditor. The Board and the Committee are in place to represent the Corporation's stockholders. Accordingly, the independent auditor is ultimately accountable to the Board and the Committee.

RESPONSIBILITIES

The Committee's policies and procedures should remain flexible, in order to best react to changing conditions and to ensure to the Board and the Corporation's stockholders that the corporate accounting and reporting practices of the Corporation are in accordance with all requirements and are of the highest quality.

In meeting its responsibilities, the Committee is expected to:

1. Review and reassess the adequacy of this Charter annually.
2. With respect to the Corporation's independent auditors:

a. The Committee is responsible for the appointment, compensation and oversight of the work of the Corporation's independent auditors. The Committee shall pre-approve all auditing services (including the provision of comfort letters) and non-audit services provided by the independent auditors to the Corporation, other than as may be allowed by applicable law. The Committee may delegate to one or more designated Committee members the authority to grant pre-approvals required by the foregoing sentence. The decisions of any Committee member to whom authority is delegated hereunder shall be presented to the Committee at each of its scheduled meetings. The independent auditors shall be ultimately accountable to the Board and to the Committee. Notwithstanding anything to the contrary contained in the foregoing, the Board shall have the opportunity to advise and consult with the Committee about the nomination of the independent auditors to be proposed for stockholder approval and the selection, evaluation and (when appropriate) replacement of the independent auditors.

b. Review the independence of the independent auditors, including a review of management consulting services, and related fees, provided by the independent auditors. The Committee shall require the independent auditors at least annually to provide a formal written statement delineating all relationships between the independent auditors and the Corporation consistent with the rules of the NASD applicable to Nasdaq listed issuers and request information from the independent auditors and management to determine the presence or absence of a conflict of interest. The Committee shall actively engage the auditors in a dialogue with respect to any disclosed relationships or services that may impact the objectivity and independence of the auditors. The Committee shall take, or recommend that the full Board take, appropriate action to oversee the independence of the auditors.

3. Review and concur with management on the need for an internal audit department, the scope and responsibilities of an internal audit department and on the appointment, replacement, reassignment or dismissal of an internal audit department manager or director.

4. Review and discuss with management, before release, the audited financial statements and the Management's Discussion and Analysis proposed to be included in the Corporation's Annual Report in Form 10-K. Make a recommendation to the Board whether or not the audited financial statements should be included in the

Corporation's Annual Report on Form 10-K.

5. In connection with its review of the Corporation's interim and audited financial statements, if no report is made by the independent auditors and management, the Committee shall inquire of the Corporation's management and the independent auditors as to whether there were any significant financial reporting issues and judgments made in connection with the preparation of such financial statements, as well as the potential impact on the Corporation's financial statements of any proposed changes in accounting and financial reporting rules.

6. In consultation with the independent auditors, the internal audit department, if any, and management, consider and review at the completion of the annual examinations and such other times as the Committee may deem appropriate:

- a. The Corporation's annual financial statements and related notes.
- b. The independent auditors' audit of the financial statements and their report thereon.
- c. The independent auditors' reports regarding critical accounting policies, alternative treatments of financial information and other material written communications between the independent auditors and management, including the written disclosures and letter from the independent auditors required by Independence Standards Board Standard No. 1.
- d. Any deficiency in, or suggested improvement to, the procedures or practices employed by the Corporation as reported by the independent auditors in their annual management letter.

7. The Committee shall at least annually inform the independent auditors, the Chief Financial Officer, the Controller, and the most senior other person, if any, responsible for the internal audit activities, that they should promptly contact the Committee or its Chairman about any significant issue or disagreement concerning the Corporation's accounting practices or financial statements that is not resolved to their satisfaction.

8. Periodically, and to the extent appropriate under the circumstances, it may be advisable for the Committee, with the assistance of the independent auditors, the internal audit department, if any, and/or management, to consider and review the following:

- a. Any significant changes required in the independent auditors' audit plan.
- b. Any difficulties or disputes with management encountered during the course of the audit.
- c. The adequacy of the Corporation's system of internal financial controls.
- d. The effect or potential effect of any regulatory regime, accounting

initiatives or off-balance sheet structures on the Corporation's financial statements.

e. Any correspondence with regulators or governmental agencies and any employee complaints or published reports that raise material issues regarding the Corporation's financial statements or accounting policies.

f. Other matters related to the conduct of the audit, which are to be communicated to the Committee under generally accepted auditing standards.

9. Discuss with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, as modified or supplemented.

10. Obtain from the independent auditor assurance that it has complied with Section 10A of the Securities Exchange Act of 1934.

11. Establish procedures for (a) the receipt, retention and treatment of complaints received by the Corporation regarding accounting, internal accounting controls or auditing matters and (b) the confidential, anonymous submission by the Corporation's employees of concerns regarding questionable accounting or auditing matters.

12. Prepare a report in the Corporation's proxy statement in accordance with SEC requirements.

13. To the extent appropriate or necessary, it is advisable that the Committee review the rationale for employing audit firms other than the principal independent auditors; and, where an additional audit firm has been employed, review the coordination of audit efforts to assure completeness of coverage, reduction of redundant efforts and the effective use of audit resources.

14. To the extent that it is practical, it is recommended that one or more members of the Committee periodically review, before release, the unaudited operating results in the Corporation's quarterly earnings release and/or discuss the contents the quarterly earnings release with management.

15. The Committee shall direct the independent auditors to use their best efforts to perform all reviews of interim financial information prior to disclosure by the Corporation of such information, and to discuss promptly with the Committee and the Chief Financial Officer any matters identified in connection with the auditors' review of interim financial information which are required to be discussed by Statement on Auditing Standards No. 61.

16. To the extent that it is practical, it is recommended that one or more members of the Committee meet periodically with or interview, in separate sessions, the Chief Financial Officer, the senior internal auditing executive and the independent audit firm engagement partner.
